

eResilience

Victorian Government Funded Program

» The past few years have been incredibly challenging for so many people, and regional Victorians are no exception.

That's why the Victorian Government are providing funded access to the **eResilience** course for up to 2,500 regional Victorians across 27 eligible Local Government Areas (LGAs). The funded course will be available for a limited time.

Eligible Local Government Areas

Do you live or work in the below LGAs?
